Fall 2015

Dear Friends,

At this time of year, many parishioners are being asked to focus on the gifts they have received and the gift of financial support they intent to give to their parish. When we think about blessings present in our lives, do we remember to say “thank you” to God for the gift of our parish community? Do we consider the teaching, the healing, comforting and friendship we receive though practicing our faith together? Do we ponder the joy of celebrating Mass joined as people of God?

As society has changed over the years, so has the landscape of our parish. While times, and the way we interact as Catholics may be different than in the past, the heart and work of our parish remains the same as it has always been – building the kingdom of God.

Through our parish ministries, we are there, reaching out to those in need, educating children in our faith through Religious Education and adults through Bible Study, celebrating with families and individuals through the sacraments, visiting the sick and homebound, feeding the hungry through our food pantry, clothing the homeless through our Midnight Runs to name a few. Our parish gives us the gifts of being part of something greater than ourselves and of knowing that we have a place to connect with God and with each other as community of faithful disciples.

If we take the time to really think and pray, it’s easy to see what a gift belonging to a parish really is. It is also easy to see why sharing our resources with our parish falls into the category of giving and receiving. Our parish is a conduit; the channels fed by our sharing which, in turn, make it possible for us to be in places near and far ministering to those in need and spreading the Good News!

I invite you to take the opportunity to find the call of God in your heart. Please take time and prayerfully read over the various ways in which you can serve God through our parish ministries and activities.

We encourage you to make this the year that you open your eyes and hearts to the mission God has called you to. By prayerfully accepting God’s challenge to use your time, talents and resources for His purposes, you will not only be enriching the lives of those you will serve, but you will be deepening your own personal relationship with the God that loves you. We will pray for you as you consider making a commitment to Stewardship as a Way of Life.

Thank you Lord, for the gift of my parish. It brings me closer to you, and it brings me closer to my brothers and sisters in faith. Help me to support your work, through my parish community, by sharing my time in prayer, my talent in ministry and my financial resources in proportion to my ability. Amen.

May God bless you always,

Father Brian

God calls us to participate in His purpose for the World.

Before we can sincerely give any portion of our time and talent to God, we must first give him all of our hearts. The continuing process of growing in stewardship, therefore, remains a conversion above all else. Now is the time to make God our top priority. Now is the time to answer His call to holiness by putting our Faith First.

This year during our annual renewal of our stewardship commitment to sharing our time and talent, we will be encouraging one another to reprioritize the way we use our gifts by making a solid commitment to prayer and to service.

There are countless ways to answer the call – to Live Jesus. God wants us to use what we have been given. Anything that can be used for God’s purposes; time, talents, opportunities, relationships, experiences – all these and more are resources in our spiritual storehouses. The scriptures call us to account for our administration of the riches entrusted to us.

Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms. If anyone speaks, he should do so as one speaking the very words of God. If anyone serves, he should do it with all the strength God provides. 1Pet.4:10-11

STEWARDSHIP

Mission Statement

As a parish family of St. Francis de Sales Church, we are committed to stewardship as our way of life. We place God first in all things. Centered in the real presence of Jesus in the Eucharist, we devote ourselves to proclaim the Gospel. We are dedicated to grow as a faith community to holiness through prayer, sacraments and service to all God's people.

Prayer for the Year of Mercy

You are the visible face of the invisible Father, of the God who manifests his power above all by forgiveness and mercy: let the Church be your visible face in the world, its Lord risen and glorified. You willed that your ministers would also be clothed in weakness in order that they may feel compassion for those in ignorance and error: let everyone who approaches them feel sought after, loved, and forgiven by God. Send your Spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind. We ask this through the intercession of Mary, Mother of Mercy, you who live and reign with the Father and the Holy Spirit for ever and ever. Amen
