

St. Francis de Sales will make every effort to reduce waste by cutting down on the amount of printing that we do and the paper that we use. This year- the Religious Education Handbook – that is a detailed overview of our policies and procedures, is published online at www.stfrancisvernon.org (Click on FORMS to View complete handbook)

All families are asked to review this information on the parish website and adhere to the stated policies. If you do not have access to a computer- please request a printed copy.

Religious Education Handbook Acknowledgement- 1 Submitted PER FAMILY

- I acknowledge that it is my responsibility to review the Religious Education Handbook for the school year 2016 – 2017 and agree to review the guidelines with my child. I understand that this information is published online, and that I may request a printed copy if needed.
- I fully expect to be notified if my child is disrespectful or uncooperative and will, upon request, pick up my child early if necessary. I also understand that persistent misbehavior in class may result in my child being removed from the program.
- I have noted the attendance policy and realize I will need a doctor's note for each absence in excess of the 3 allowed for the year. / I understand that excessive absences will necessitate a summer study program or a repeat of the grade
- I understand that we are expected to make a conscientious effort to take our children to Mass on a weekly basis to the best of our ability.
- I understand that most announcements pertaining to religious education will be placed online, and may at times be e-mailed to me. (Do we have your updated e-mail to an account that you actively use?) If not please see Jane or send an e-mail to jane@stfrancisvernon.org
- I understand that Grades 1-6 are asked to complete a Family Faith Building Journal throughout the year, and that directions for completion have been distributed and are on the website.
